viewing your
points balance

- your **star rating** indicates your overall **monthly performance** based on the number of **valid activations** - the **higher** your **star rating** the **more points** you'll qualify for

- your **level** refers to your **gamification level** which is determined by the **monthly activation bracket** that you are in (this is only available to select agent codes)

- **redeemed points** indicates the number of points **you used** to get **promo items**, and will also show the **date** that your points were **last used**

- **awarded points** is the number of **points** you **received** from **awesim** based on your **monthly activations**

- **purchased points** will reflect if you **buy points** from **awesim**

- **closing balance** indicates the number of points **available** for **redemption**
